The Meal Plan contract remains in effect for the entire academic year and cancellation is not permitted.

Departure from Emory: Unspent Dooley Dollars will be credited back to the student's OPUS account for all meal plans. Adjustments for the meals portion of meal plans is based on the duration or total weeks enrolled on the meal plan, not the actual meal plan usage. The credit for the meals portion of all meal plans will be calculated by first subtracting the value of the Dooley Dollars originally included in the meal plan from the original cost of the meal plan to determine the value of the meals portion of the meal plan. Next, the value of the meals portion of the meal plan will be credited back to the student's account based on the Adjustment Schedule.

No credit will be issued after the tenth week of each semester. No credit will be issued to students suspended or dismissed for disciplinary reasons. If a student's academic status changes, the student is responsible for notifying Campus Dining in Cox Hall at 404-727-4015 or email dining@emory.edu. This policy shall be subject to amendment by the University during the term of this agreement without notice.

10. Meal Plan Changes

Students are allowed one change to their meal plan each semester. You have an opportunity to change your dining plan once before the change dates posted at the Emory Dining website at [Verify/Change a Plan](#).
